As we celebrate our Church year, we kindly remind parishioners that the Ukrainian Catholic Church
observes several important fasting periods. While joyous celebrations like weddings are cherished events,
we encourage families planning a marriage to be mindful of these sacred times. Traditionally, weddings
are not celebrated during the more solemn fasting seasons, such as the Great Fast (Lent), as this period is
dedicated to deep spiritual preparation and penitence. Additionally, Wednesdays and Fridays throughout the
year are days of abstinence from meat in our tradition. Regarding other fasting periods, such as the Nativity
Fast (Pylypivka), the Apostles' Fast (Petrivka), and the Dormition Fast (Spasiwka), these are also times of
spiritual focus. While less stringent than the Great Fast, the spirit of self-denial and prayer is still
encouraged. In specific circumstances, and with pastoral discretion, our Bishop may grant a dispensation
for the celebration of the Holy Mystery of Matrimony during these periods. We encourage those discerning
marriage to speak with our parish priest well in advance to discuss suitable dates and any potential need for
a dispensation. This ensures that the celebration of this beautiful Sacrament aligns respectfully with the
spiritual rhythm of our Church. May God bless all those preparing for the Sacrament of Matrimony!
